

HERE'S WHAT EMS PROFESSIONALS ARE SAYING ABOUT HORTON AND VCI.

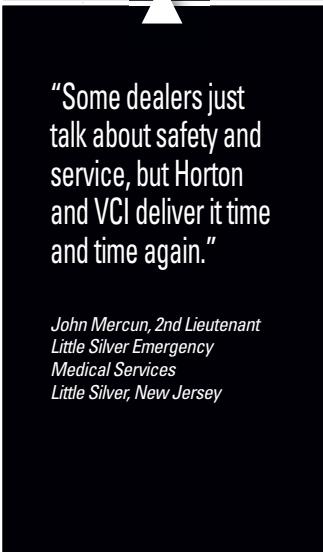

"When it comes to safety for our EMTs and the patient, no competitive vehicle comes close to a Horton. And no other dealer compares to VCI in sales, service and support.

*President Paul Mercready and
Captain Joan Tarr
Whiting First Aid Squad
Whiting, New Jersey*

"We chose Horton because occupant safety is our first priority. We chose VCI because they stood up to the test. I can't say the competition did."

*Fire Chief Steve Rabine
New Oxford Ambulance
New Oxford, Pennsylvania*

"Some dealers just talk about safety and service, but Horton and VCI deliver it time and time again."

*John Mercun, 2nd Lieutenant
Little Silver Emergency
Medical Services
Little Silver, New Jersey*

"The accident told us a lot about the crash impact integrity of a Horton and it told us about the trustworthiness of VCI."

*Captain Jo Ann DiDonato and
Maint. Administrator Doug Chillas
American Legion Ambulance
Services
Smyrna, Delaware*

"Every day someone depends on us in an emergency and for more than 30 years we've depended on Horton to get us there quickly and safely."

*Commissioner Jerome DelliBovi
Coram Fire District
Coram, New York*

Horton from VCI. A standard by which all others are measured.

Just as you have made a commitment to emergency service, Horton has made a commitment to build you the safest, most technologically advanced emergency vehicle available. And VCI has made a commitment to providing you with not only the best emergency vehicle available, but also with the best, most comprehensive, customer service programs in the industry. It's a standard by which all others are measured.

*Committed to providing the best emergency vehicles
with the best service to our customers.*
